This diagram illustrates the fourth step of the assembly process. It shows a white van model with a red roof. Arrows indicate the placement of various decorative elements: a blue circular light on the roof, a red circular light on the side, a small red heart-shaped decoration on the side, a long decorative banner with a red heart and floral patterns along the side, and a small red heart-shaped decoration on the rear. A license plate reading 'HC-S 2017' is also shown at the rear.
